ABDULLAH MEMON

Web Designer

About Me

Enthusiastic and driven computer science student with a strong desire to excel in the ever-evolving world of technology. My passion lies in front-end development, where I have honed my skills in HTML, CSS, and JavaScript. My long-term career goal is to become a dedicated work in the fields of Data Science and Blockchain.
I am excited to embark on a journey of continuous learning and growth as I work towards my career goals, and I look forward to leveraging my knowledge and dedication to make meaningful contributions in the realms of data science and blockchain.
